

ASSEMBLY INSTRUCTIONS

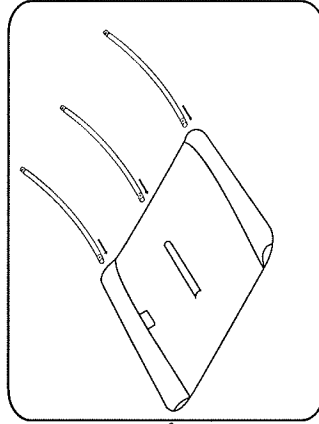

1. Check and open bimini box carefully

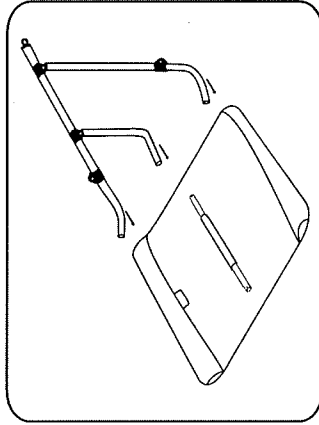

2. Take out full set bimini parts

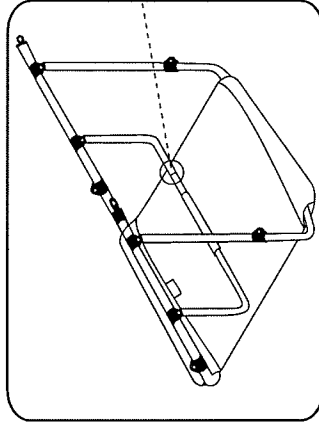

3. Lay fabric flat upside-down, sleeves up.

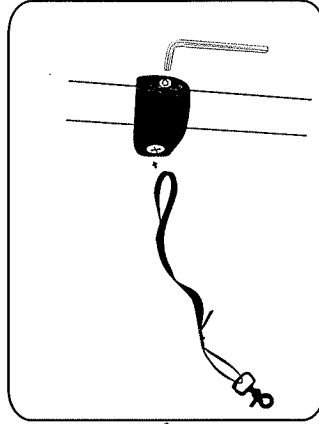

4. Insert the crossbars into the fabric sleeves.

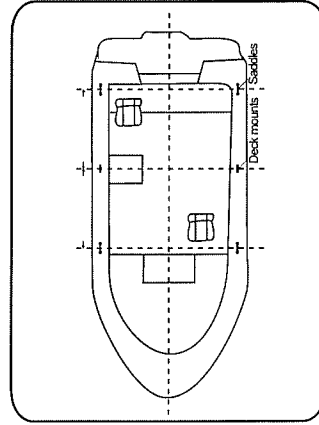

5 & 6. Snap the frame into the crossbars via the connectors, then slide into the fabric

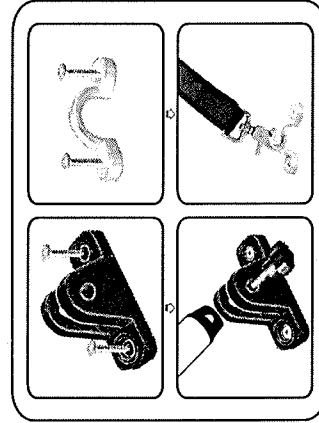

7. Snap connector

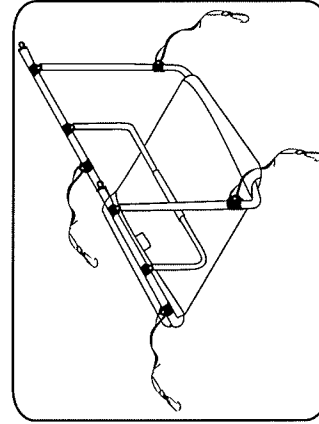

8. Secure each strap with bolts as showed; Fix the nylon fitting on the tube with hexagon socket wrench

9. Measure and confirm the marks for the deck mounts and saddles.

10. Drill and secure the deck mounts and saddles.

11&12. Flip the bimini and place it on deck mounts, and tighten all straps to complete your bimini.
